Figures do not lie. Multiply \$36 by 7 and you have \$500—provided you invest seven times thirty-six with the Covenant Building and Loan association. Ask M. M. Little about it.

The new armory is going skyward all the time, and will soon be numbered among the new bricks of the brick city. The work has been greatly delayed by the frequent rains.

The Covenant Building and Loan association will pay you 8 per cent for the use of your money, or loan you theirs at 6 per cent. Which do you prefer? M. M. Little will explain to you.

Isabella Hampton, the dusky maiden employed in the French cafe, was up before his honor on the charge of disorderly conduct. She was discharged with the injunction to "go and sin no more."

Any person desiring a nice home with one acre of land set out with bearing fruit trees, can secure one by paying a small amount of cash and easy monthly payments. Enquire at STAR office.

Sam Bird and Frank Labrath were up before the mourners' bench this morning for breach of the peace. Ed Hankinston, for throwing a stone. Beware, boys, how you throw stones, for most of the houses in Ocala have glass windows.

Messrs. Payne, Felenier, Foskett, Condon and Knecht entertained quite a crowd in the Ocala house parlors last evening with some delicious music, which was very much enjoyed by those present and the proverbial loafers on "my front porch." The Honeymoon March deserves especial mention.

\$25,000 just received from Massachusetts Savings bank to be placed with Georgia Building and Loan. Instead of 4 per cent it will earn you nearer 8 per cent, payable semi-annually, and also participate in the profits of the association. Who will be the next to inquire of I. Stevens, secretary and agent?

Jake Israel, the irrepressible, is back from his Tampa trip. Jake came up on one section of the Fernandina excursion, and although there were two of these sections of nine coaches each, our Jake had to sit on top of the water cooler. He said, "You couldn't call it the 'hot stuff,' but it was better than no seat at all on a hot night."

The excursion to Fernandina yesterday was a grand success, about two hundred going from Ocala. There were 18 coaches from Tampa, besides those from beyond this point and on the Jacksonville and Savannah trains. It is estimated that between two and three thousand people were on the different trains into Fernandina yesterday. So many went in bathing that it raised the water and caused a small overflow.

## AN EYE FOR AN EYE.

Frank Roundtree, alias Chicken, who was sent up a month ago for stealing his legitimate prey, got into a fight some days ago with another dusky youth by the name of Joe Gooden, who was also convicted some time ago for indulging his propensity for shooting into a train, with the result that the aforesaid chicken has not as many eyes as he had before, and therefore in the future will labor under great disadvantages in the pursuit of his profession.

Chicken's eye was so bad that he had to be brought in today to have a physician remove the offending member.

These two pugilists were in the employ of the county when the trouble arose.

## HORRIBLE ACCIDENT.

Saturday afternoon, in Tampa, between 3 and 4 o'clock, an unknown boy about 12 years old undertook to board a street car at full speed without signaling the motorman to stop. In some way he missed his footing and fell under the wheels, and was literally ground to pieces, hands, feet and head all being severed and the body mutilated in a manner horrible to behold. The accident was not discovered until the car had passed over and beyond the body. A lady ran up in great agitation, dashed through the thickly packed crowd, and fell fainting upon the mangled body. It was supposed she was the boy's mother.

## GLOVE CONTEST.

J. M. Murray and T. I. Edwards, two gentlemen of dusky hue, will face each other in the ring at Mitchell's hall Thursday night and proceed to pound each other's faces in a manner that will be exciting to behold.

P. H. Gillen, the irresistible, who is with the Witness job office, has just completed a job of binding a book of music for Charles Miller, which is a beauty. Mr. Gillen has surprised us, as until recently we did not know that our job department contained a first-class book-binder, the only one in the city. We have quite a number of such jobs on hand. Who will be the next to bring their old books or music sheets to be rebound?
